Call for Expressions of Interest – Board Membership

The Pavilion Performing Arts Centre Sutherland Ltd

The Board of The Pavilion Performing Arts Centre Sutherland Ltd. is currently seeking Expressions of Interest from individuals who are passionate about the arts and committed to supporting cultural development in the Sutherland Shire.

We invite applications from candidates interested in joining our Board to help guide and support the strategic and artistic direction of The Pavilion. We are particularly seeking individuals with demonstrated expertise in one or both of the following areas:

- **Live performance** – including but not limited to theatre, music, dance, or multidisciplinary practice as a performer, producer, director, or creative practitioner.
- **Corporate sector or philanthropic support for the arts** – including experience in sponsorship, fundraising, donor engagement, or corporate social responsibility initiatives connected to creative and cultural endeavours.

The Pavilion is a charitable organisation established to promote and present high-quality cultural events and experiences for the people of the Sutherland Shire. Our work includes managing a premier performance venue and creating opportunities for cultural participation, audience development, and creative sector growth in the region.

We are committed to building a Board that reflects the diversity, creativity, and energy of our community. We encourage **young emerging arts and community leaders (aged 18–29)** to apply. This is a valuable opportunity for young professionals to contribute to governance at a leading cultural organisation, gain leadership experience, and play a role in shaping the future of the arts in the Sutherland Shire.

Applicants should demonstrate alignment with the Company's charitable objectives and a commitment to advancing cultural engagement, education, and participation in our local community. Board membership is a voluntary role, and appointments are made in accordance with the Company's Constitution to ensure the Board maintains a balanced mix of skills and experience. Directors are appointed for three years.
